

Child Status Index (CSI) – Mobile app

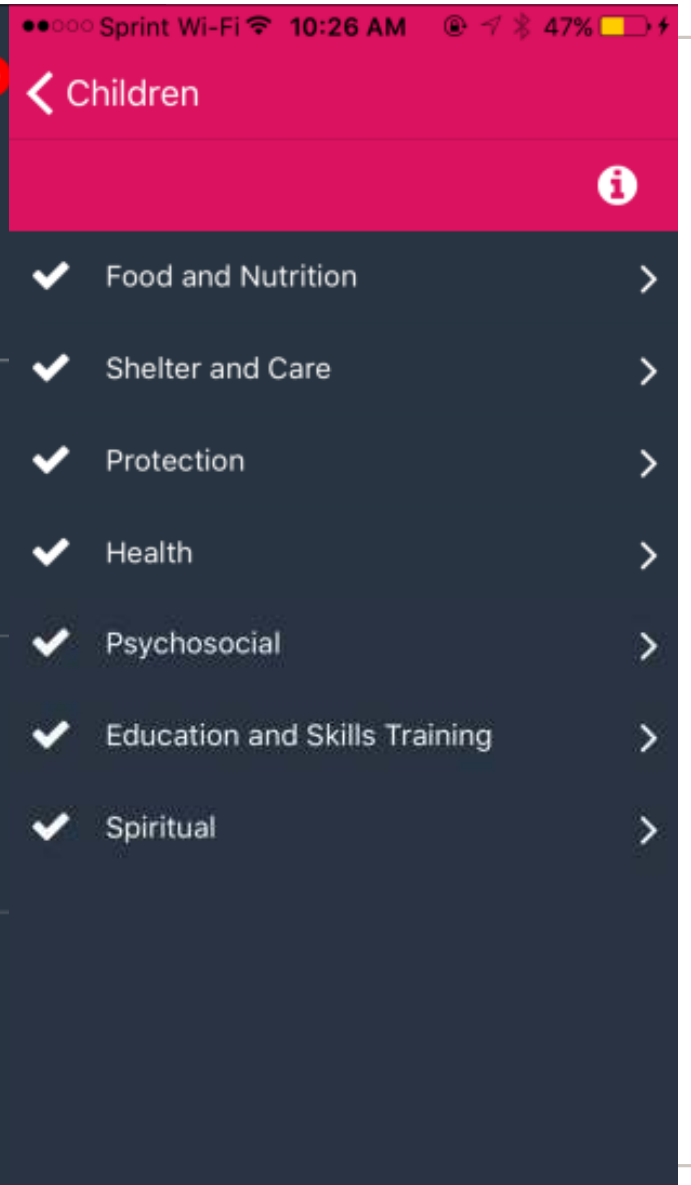

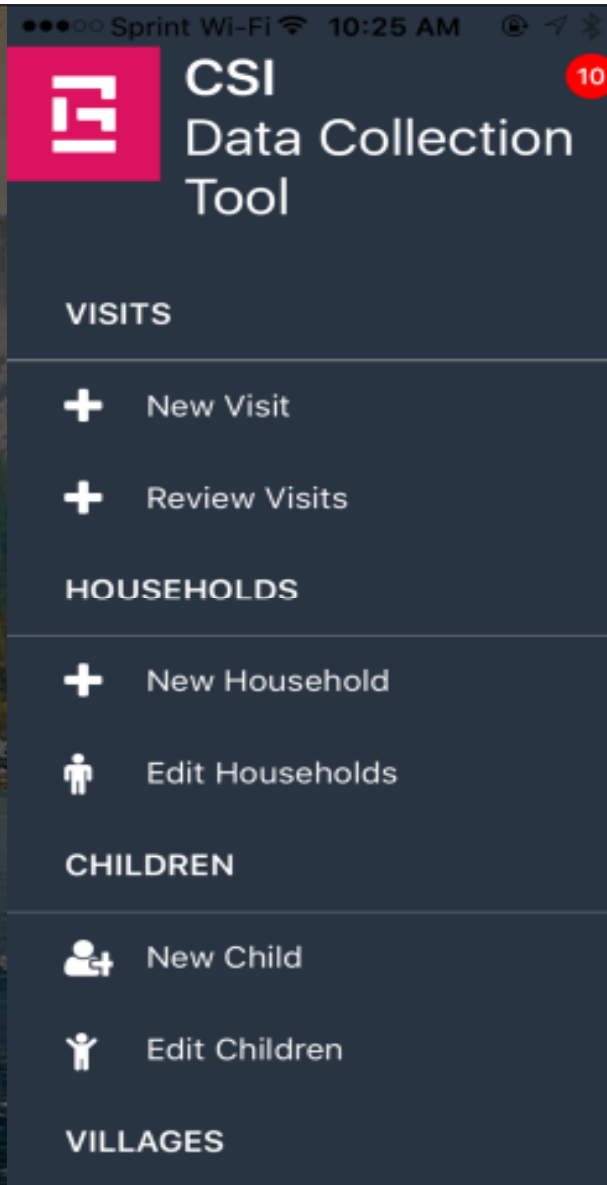

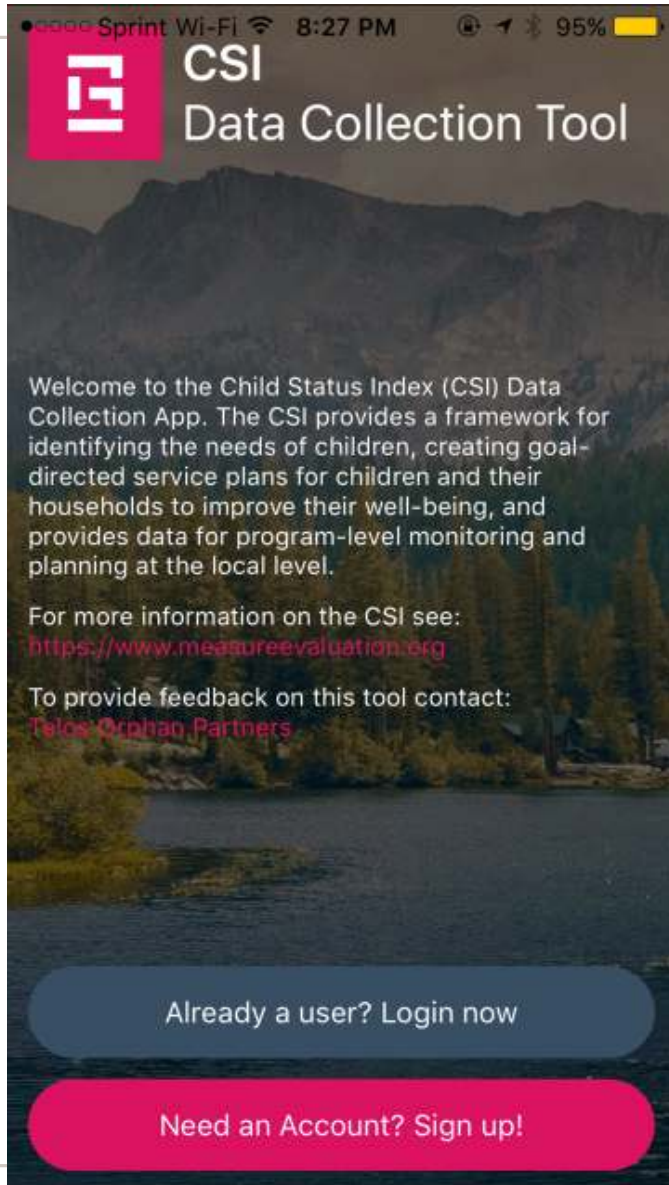

Why did we build it?

Why should you use it?

- Expand the use of the Child Status Index
- Provide an easy way to collect data in the field
- Eliminate double entry
- Improve outcomes
- Standardize data
- Reduce errors

*Enter data into your
mobile device!
No more paper
forms and typing
data into Excel*

Yes, the CSI Mobile App will work for you and here's why:

- Off-line sync (no need to have Internet 24/7)
- CSI work flow
- Export to Excel
- Encrypted
- Free
 - Android or iPhone

We Need Beta Testers!

For the CSI Mobile App

- Understand your needs
- Setup your database
- Customize as necessary
- Assist with implementation
